WHY PARTICIPATE IN AN EXCHANGE?

Immersive Short-Term Reciprocal Program

An exchange program is a once-in-a-lifetime opportunity for students to truly understand, explore, and dive deep into another culture and language. As students fully immerse themselves into the life of their host family and school, they experience a type of personal growth and empowerment that can only happen in this unique setting. Students not only travel but host their exchange partners resulting in a lifelong bond between both students and families.
