NEW BUSINESS

1. Review and Consideration of School Committee Policy EBCFA – Face Coverings

PUBLIC COMMENTS: The School Committee will hear from members of the public on general matters of education interest.

ADJOURNMENT

Jeffrey C. Riley
Commissioner

Massachusetts Department of Elementary and Secondary Education

75 Pleasant Street, Malden, Massachusetts 02148-4906

Telephone: (781) 338-3000
TTY: N.E.T. Relay 1-800-439-2370

MEMORANDUM

To: Superintendents, Charter School Leaders, Assistant Superintendents, Collaborative Leaders, and Leaders of Approved Special Education Schools
From: Jeffrey C. Riley, Commissioner
Date: February 9, 2022
Subject: Update on DESE Mask Requirement

After consulting with medical experts and state health officials, the Commissioner will not renew the state mask requirement after it expires on February 28, 2022. Effective Monday, February 28, the DESE mask requirement will be lifted statewide. The Commonwealth's high vaccination rates and widespread availability of COVID-19 testing for school personnel and students support this decision.

Masking continues to be required on all school buses, per federal order.

DESE and DPH strongly recommend students and staff continue to follow the [DESE-DPH Protocols for Responding to COVID-19 Scenarios](#).

As always, any individual who wishes to continue to mask, including those who face higher risk from COVID-19, should be supported in that choice. DESE and DPH strongly recommend unvaccinated individuals should continue to wear masks in school settings.

The Commissioner will continue to monitor public health data, consult with medical experts and state health officials, and issue further guidance and/or requirements as needed.

More than 40 schools have already received approval from DESE to remove the mask requirement. With the removal of the statewide mask requirement, additional schools no longer need to apply.

DESE continues to recommend that districts and schools adopt a layered approach to mitigate the spread of COVID-19 in school settings. DESE and DPH continue to strongly urge all eligible individuals to receive the COVID-19 vaccine and booster and continue to support schools with vaccination clinics. Other mitigations include participating in the statewide COVID-19 testing program, maintaining good hand hygiene practices, and staying home when sick.

File: EBCFA - FACE COVERINGS

The Chelmsford Public School District is committed to providing a safe environment as schools reopen during the COVID-19 pandemic. According to public health experts, one of the best ways to stop the spread of coronavirus and to keep members of our school community safe is the use of face **masks** or face coverings. Therefore, in accordance with guidance from the Center for Disease Control (CDC), the Department of Elementary and Secondary Education (DESE) and the Massachusetts Department of Public Health (DPH), the following requirements are in place until further notice.

A face covering that covers the nose and mouth must be worn by all individuals in K - 12 school buildings, on school grounds and on school transportation, even when social distancing is observed. Exempted from this policy are students in PreSchool and below.

Individuals may be excused from the requirement for the following list of reasons, per CDC guidance:

The individual:

- has trouble breathing;
- is unconscious;
- in incapacitated;
- cannot remove the mask or face covering without assistance.

In addition, **masks** or face coverings will not be required for anyone who has a medical, behavioral or other challenge making it unsafe to wear a face mask or face covering. A written note from a physician is required for a requested exemption. Parents may not excuse their child from the face mask requirement by signing a waiver.

Additionally, face **masks** or face coverings will not be required when appropriate social distancing is enforced:

- during mask breaks;
- while eating or drinking;
- during physical education classes;
- while outside.

Exceptions to this policy under certain circumstances, such as for students with medical, behavioral or other challenges who are unable to wear **masks**, must be approved by the building principal in consultation with the school nurse or local Board of Health. Face shields or physical barriers may provide an alternative in some instances.

A student's mask or face covering is to be provided by the student's family. Staff members are responsible for providing their own face coverings. However, the district will supply disposable face coverings for individuals who arrive at a building, or board school transportation, without one.

If students are in violation of this policy, the building principal will consult with the parent/guardians to determine whether an exception is appropriate, or the student may be

removed from the school building for in-person learning until such time as they can comply with the requirement or the requirement is lifted.

Violations of this policy by staff will be handled in the same manner as other violations of School Committee policy.

Visitors in violation of this policy will be denied entry to the school/district facility.

This policy will remain in place until rescinded by the School Committee.
