Important Information

Accounts on our Registration Website

Create a free account on our registration website. Setting up an account will ensure you receive important emails about upcoming programming and events and will make the program registration process easier. To register, go to: ChelmsfordCommunityEd.com

Who Can Enroll?

Residents of Chelmsford and non-residents are welcome to enroll in our classes at the same tuition.

How to Register

Online registration is available at ChelmsfordCommunityEd.com. Your new account will let you register and pay online with a credit card. Questions? Email us at commed@Chelmsford.k12.ma.us

Registration Confirmation

You are officially enrolled as soon as we receive your payment. An email address is required for a confirmation email to be sent to you from ChelmsfordCommunityEd.com.

When Does Registration Begin?

Registration opens on **Wednesday, March 22nd.** We recommend customers register at least two weeks before classes begin. Registering early gives the best chance of classes running. **Registration ends one week prior to the start date for each class.**

Course Withdrawal & Refunds

Refunds for a course are handled as follows:

1. A full refund will be given when a class is cancelled due to low enrollment
2. A full refund minus a $10 processing fee will be given for a cancellation more than 15 days prior to a class start date.
3. A full credit will be given for a cancellation 8-15 days prior to the class start date. Credits expire one year from date of issue.
4. No refund or credit will be given for cancellations 7 days or less prior to class start date.
5. SummerFest & SummerQuest may have a different refund policy. Check our website for details.
6. All classes are non-transferrable. If you are unable to attend a class for any reason, any attempt to transfer your registration to another person will not be honored
7. Manual refund payments require up to a 30-day processing period.
8. Trips have a different refund policy. Please refer to individual trip information for details.
9. To request a refund, email us at adulted@chelmsford.k12.ma.us

Mission Statement

Chelmsford Community Education is a self-sustaining branch of the Chelmsford Public Schools. Learning is a lifelong pursuit, with areas of interest and needs that are vast. Accordingly, our goal is to offer a wide variety of programs. The selections range from academics, enrichment, sports and recreation to childcare services. We strive to provide high quality classes, programs and activities at an affordable price for students of all ages.

Come Teach with Us

If you have a special skill that you would like to share with your community, come teach a class with us! Email your class ideas to Colleen at smithc@chelmsford.k12.ma.us

Contests & Special Events

CALLING ALL ADVENTUROUS KIDS! Chelmsford Community Ed has a fun summer game just for you! Join us for I Heart Chelmsford! Our game begins on Monday, July 10th. We have hidden paper hearts around some of our amazing open spaces in Chelmsford. Find a heart and bring it to the Commed office for entry to win a cool prize. For full details, visit our website: ChelmsfordCommunityEd.com

Questions

For questions on classes (including Summer Splash), dates and registration, contact Colleen Smith at **adulted@Chelmsford.k12.ma.us** or **978-251-5151 x6091**
For questions regarding SummerFest or SummerQuest, contact Michele Pieleski at **commed@Chelmsford.k12.ma.us** or **978-251-5151 x6092**

SUMMERFEST 2023

The goal of Summerfest is to provide a valuable service to the parents of children in the Chelmsford area. The staff will make every effort to provide a safe and harmonious environment in which your child can make age-appropriate choices that lead to sound social, emotional and physical development.

We will have all our favorite areas open this summer: the STEM Room, Art Room, Chill Zone, Gym, Playground, Café, and Outdoor Rec. Summerfest is designed around choices! The children will be able to pick which areas they would like to play and explore during rotation periods to allow for an opportunity to play with neighbors or friends who are close in age. Our goal is to allow the children more time to do the things they really love, while still offering a variety of choices.

Our program will be located at the Chelmsford Community Education Building, 170 Dalton Road 01824 Chelmsford, MA. Summerfest has lots of air-conditioned spots to cool off, and sprinklers and water play will provide refreshing fun on hot days. The staff consists of certified teachers, educational support personnel, nurses, college and high school students.

We will be open from 7:00 a.m. to 6:00 p.m.

A Sneak Peak at Summer!
Get Reacquainted & Summer Holiday Celebration (7/5-7/7)
Splat, Splash, Glob! (7/10-7/14)
New England Rodeo (7/17-7/21)
Building Bonanza (7/24-7/28
Tower of Power (7/31-8/4
Super Summer (8/7-8/11)

SUMMERQUEST 2023

SummerQuest is our summer program specifically for Preteens and Teens – kids entering 6th through entering 9th grade. Our program is designed to meet the unique needs of our older kids to help keep them entertained and excited during the summer and offer them increased freedom. We offer a 5-Day week of off-site field trips that will bring your child to a variety of locations with exciting and enriching activities like rock climbing, hiking, museums, laser tag, ropes courses and more! Fridays are a ½ day of a Community Project and Varney Park/Freeman Lake. Our weekly Community Project will help our teens foster an appreciation for our town and keeping it at its best. **SummerQuest is open from 8:00 a.m. to 3:00 p.m.**

Pre-School

Summer Splash Full Day Summer Preschool

Join us this summer for our full day pre-school childcare program – Summer Splash! We emphasize a positive, safe, fun learning environment that helps children build their independence.

Students will be required to bring their own home lunch and snacks, which will be eaten in their classroom.

All registrants must be fully potty trained.

The classroom will have the following play areas: block area, writing center, dramatic play, art area, math and science center, and a sensory table as well as time outside (weather permitting).

Location: Commed Rm 18 **Ages**: 4-5
Instructors: TBA

Week 6: August 7-11

Register NOW at
ChelmsfordCommunityEd.com

In this program, for children, ages 3-5, we will explore weird motions and flying things, air and water pressure, crazy chemistry, light and sound, science magic, electricity, magnets, astronomy, and more! Be prepared for lots of fun stuff. Each child receives Scientist Trading Cards and a Free Top Secret Science T-Shirt! A wonderful 3 hours of science each day. Hope to see you there!

Location: Commed Rm 12 **Ages**: 3-5
Instructor: Top Secret Science

July 5-7, AM 8:30am – 11:30am $119
July 5-7, PM 12:00am – 3:00pm $119
July 5-7, FULL 8:30am – 3:00pm $215

Summer Splash Half Day Summer Preschool

Our Summer Splash half-day programs will combine socialization, structured projects, games, and free play. Each week of programming offers a different theme designed to engage each child's creativity and imagination. Registration is offered as weekly (5-day Monday through Friday - there are no 2-day or 3-day options), and space is limited to **15 students per week**. Students will be required to bring their own snacks and water.

Location: Commed Rm 12 **Ages**: 3-5
Instructor: TBA

Week 1: July 10-14
Week 2: July 17-21
Week 3: July 24-28
Week 4: July 31-August 4
Week 5: August 7-11
8:30am – 11:30am, $165

Computer

Hands –On Electronics

Tinker with electronics while learning the basics of computer programming. We begin by experimenting with the fundamentals of electronics and circuitry, and step up to projects where our class of young makers will design their own interactive and programmable devices. Participants use the latest tools including Arduino (for building interactive devices) and Raspberry Pi (for learning about computers and coding) to experiment with LEDs, resistors, motors, and programming. Each class days gives participants the chance to design a hands-on project with the guidance of skilled Circuit lab instructors..

Location: Commed Rm 21 **Grade**: 4-7
Instructor: Circuit Labs

July 10 – 14, 8:00am – 11:00am, $195

App Inventors

Want to know how the apps work on your phone or I-Pad? Or do you already have the next great app idea and just need to know how to make it? In this no-experience-required course, we use MIT App Inventor Software to make fun, creative apps for Android phones and tablets. We will also explore wireless communication by building custom Bluetooth hardware controllers and readouts for our apps. Participants will learn both the programming and design aspects of creating great apps, and have the opportunity to build apps of their own with the support of Circuit Lab instructors.

Location: Commed Rm 21 **Grade**: 4-7
Instructor: Circuit Labs

July 10 – 14, 11:45am – 2:45pm, $195

Register for both Circuit Labs classes and get a discount!

Metrocraft

Join our community as we build and govern a world-class Minecraft city, complete with everything needed for incoming residents! Build, budget, and furnish your own house. Plan a marketing campaign as you build your own business. Serve on the city council and vote to shape the city's future as you help create a constitution of laws for your citizens. our Right Brain Curriculum teachers will guide you through - demonstrating how math, economics, and community-building are key to a successful, working urban environment. STEM skills have never been so much fun!

Location: Commed Rm 21 **Grade**: 2-5
Instructor: Right Brain Curriculum

August 7 – 11, 12:00pm – 3:00pm, $219

Register for Metorcraft & Lego Adventures and get a discount!

STEM & Coding Bootcamp

Code Chef Stem and Coding Bootcamp is specifically designed to promote curiosity for technology among kids. We use coding apps, science demo kits, circuits, and robotics to make our program fun.

All materials will be provided by Code Chef but students are required to bring headphones for use with a laptop. Code Chef can provide headphones on the first day of class for a $2 fee payable to the instructor.

Location: Commed **Ages**: 6-14
Instructor: Code Chef

August 7-11
8:30am – 11:30am, $240
Full Day Stem & Music 8:30am – 3:00pm, $430

Computer(Cont.)

Music Coding Bootcamp

Your budding songwriter can create their music musical sounds in our musical coding workshop. Registrants will complete musical coding projects using block coding, robotics, and beat making apps. Students can select a key, play a drum loop, or instruct the program to wait a measure, and more to arrange their very own songs.

Location: Commed **Ages**: 6-14
Instructor: Code Chef

August 7 – 11
12:00pm – 3:00pm, $240
Full Day Stem & Music 8:30am – 3:00pm, $240

Youth Programs

Lego Adventures

Get Your Lego Game On! Are you a Lego master? If so, it's time to show off your skills! Each week in Lego Adventures, there is a new challenge to build: From skyscrapers to farms, bridges to airports, space stations to main streets, and everything in between! First, our Right Brain Curriculum instructors will review the history of what we are about to build: Then, it's time to build! You will create a model of each type of structure out of an enormous assortment of provided Legos, then present your creation as we photograph and document it. Learning and Legos: A perfect match!

Location: Commed **Grade**: 2-5
Instructor: Right Brain Curriculum

August 7 – 11, 8:30am – 11:30am, $219

Kid's Test Kitchen

We are redefining kid food! Each class presents students with opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, they'll slice, dice, peel, measure, and cook until they've prepared the finished dish. Class closes with opportunity to taste the result of their hard work. Students receive a printed recipe card and the focal ingredient - or a sample of the finished dish - so they can show off what they learned!

Location: Commed
Grades: 1-5
Instructor: Lisa Curran, Kid's Test Kitchen

5 Wednesdays, July 12-August 9, 2-3pm, $149

YOGA FIT KIDS

Build and develop skills at your own pace, building self-esteem and a strong, healthy body. Structure of class is taught with F.L.A.R.E: Focus and Limber: Focus and limber up through warmup songs, games and an obstacle course. Adventure: Learn yoga poses through fun mindfulness filled stories that teach confidence, responsibility, and life lessons. Relaxation and Ending: Breath work (Prana) is taught to help children relax, control certain emotions felt inside and outside of class and to create a sense of calm within themselves.

Location: Commed Bldg.
Ages: 3-4 or 5-6
Instructor: Peggy Traumuller, Gym Time LLC

4 Wednesdays, July 12-August 2, $75
Ages 3-4: 9:00-10:00am Ages: 5-6: 10:15-11:15am

Youth Programs

The Kids' Newsroom

Extra! Extra! Read all about it! Our classroom will become a working newsroom as we write and publish a class newspaper! Don't like that new school lunch they're serving? Express your feelings on the editorial page. Going to the school soccer game? Bring your camera and reporter's notebook and become a beat reporter for our sports section. Going to the new Frozen sequel? Write a glowing or scathing review. A new teacher at school? Sit down with the new music teacher at school and conduct a hard-hitting interview. Our Right Brain Curriculum instructors will teach you the craft of journalism, including investigative writing, research and editing. The Kids' Newsroom: It's hot off the press!

Location: Commed Rm 21 **Grade**: 2-5
Instructor: Right Brain Curricium

July 17– 21, 8:30am – 11:30am, $219

Lego Future House

What will life on Earth be like in the year 2122? That is the question you will ponder as our Right Brain Curriculum teachers take you on a tour of smart homes, driverless cars, robotic chefs, self-sustaining skyscrapers and more. Learn how futurists predict life on Earth will evolve and discover how innovators around the world are changing it already. Then it will be your turn to do the imagining. You will create your own Lego house of the future – designing space-age furniture for every room in the house and a futuristic vehicle for the garage. Even the family pet will get a reboot! You will consider how virtual reality, climate change and interactive robots could change life on Earth and beyond.

Location: Commed Rm 21 **Grade**: 2-5
Instructor: Right Brain Curricium

July 17– 21, 12:00pm – 3:00pm, $219

Register for Kids Newsroom & Future House & get a $25 discount!

Spectacular Hands-On Science

Join us for either a half day or full day week-long summer program designed to expose students to science process skills, critical thinking skills and scientific reasoning skills along with the scientific method.

The scientists are fast-paced and funny, and your kids will be thoroughly entertained while they are learning some interesting things too! We will explore weird motions and flying things, air and water pressure, crazy chemistry, light and sound, science magic, electricity, magnets, astronomy and more!

Half day programs will explore 50 hands-on science experiments that they will take home at the end of each class. Full day programs will explore 100 projects that they will take home!

Location: Commed Bldg. **Grades**: Various
Instructor: Top Secret Science

July 24-28 Grades K-5:

AM Class: 8:30am – 11:30am	$180
PM Class: 12:00pm – 3:00pm	$180
Full Day Class: 8:30am – 3:00pm	$335

Fun4All: Games Galore!

Leave the video controller behind and get ready for an action-packed week of fun and games with friends! With a diverse range of options, everyone can find the right game for them. Want to use your brainpower? Maybe the newest board game or a classic card game is calling your name. Or do you think you are in the mood for some physical activity? Then kickball and relay races might be what you are looking for. Whatever a student is in the mood for, our instructors will keep everyone engaged and having fun with new daily activities that fit every personality. Bring your A game and get ready to make new friends in a week full of excitement!**Location**: Commed **Grade**: 1-6
Instructor: Fun4All Summer Programs

July 10 – 13, 9:00am – 3:00pm $220

Jr. Alchemists Chemistry

Want to master the secrets of the universe? Create a volcanic eruption to rival Pompeii? Pass secret messages to your friends in invisible ink? Learn how to do these and much, much, more! Junior Alchemists is designed to not only pique an interest in scientific inquiry, but to introduce students to a deeper understanding of its development and application. We allow them to see the basic principles of science in the world around them. The course is focused on a number of experiments; they are tons of fun, visually appealing, and can safely be reproduced at home for friends and family.
Location: Commed **Age**: 6-12
Instructor: Athena Coding

July 31 – August 4, 9:00am – 12:00pm $329

The Arts

Introduction to Clay & Sculpting

Clay and sculpting students in this class will explore a variety of sculpting techniques – pinch, score and slip joining, working around an armature. We will experiment with clays like Model Magic foam clay, terracotta clay, and polymer clay that don't need a kiln to cure. Materials will be provided for an additional fee* due at the first class.
Location: Commed **Ages**: 8-14
Instructor: Lucia Starkey

August 7 - 11, 9:00am – 12:00pm $130
* One time materials fee of $45 payable to instructor on first day of class.

Outside the Lines Art

Our art program will focus on exploring art through different mediums. Watercolor, collage, vision boards, and tissue art are just some of the different ways we will express our creativity through art during this action-packed week. This week's themes are foil painting and splatter painting, and each student will be asked to make at least one artwork using each theme! Our instructors will also give brief art lessons to teach students about some famous painters and their artwork. And when it is time for art break, students will be playing games and having fun with new friends!
Location: Commed **Grade**: 1-6
Instructor: Fun4All Summer Programs

July 31 – August 3, 9:00am – 3:00pm $220

Costume & Cosplay Fabrication: An Introduction

This amazing new class will introduce students to materials commonly used in costume making and Cosplay, through a series of small, wearable projects. During this class we will:

Day 1: Learn to measure bodies and clothes and learn to sew a button hole. Project - hand sewn wrist cuffs with button closures.

Day 2: What do clothes say about a character. Project: Patterning and forming EVA foam bracers to fit a character concept.

Day 3: Pushing your patterns and adapting them. How do flat shapes turn into 3D objects: Project: Using mask patterns to make 3D EVA foam masks or pauldrons.

Day 4: Casting and introduction to thermoplastics. Project: Using alginate and gypsum to make tooth molds to sculpt thermoplastic fangs.

Day 5: Getting away from soft, and what is Worbla? Project: Design and make a set of finger rings or claws using Worbla, a type of thermoplastic sheet used to make rigid armor pieces.

Location: Commed Rm 15 **Age**: 10-16
Instructor: Lucia Starkey

July 17-21, 9:00-12:00pm, $130 + materials fee
One time materials fee of $50 payable to instructor on first day of class.

Summer Sing! Musical Theatre for Kids

Do you like to act, sing and dance? Then Summer Sing! musical theatre class is for you! Students will learn acting skills, singing techniques, and dance moves. No previous theatre experience required. Students will perform a short combination for family and friends on the last day of the session showcasing what they have learned. Come enjoy a fun week full of acting, singing, and dancing!
Location: Commed Rm 10 **Grades**: 5-8
Instructor: Olivia Minchello

July 10-14, 9:00am – 12:00pm, $170
August 7-11, 9:00am – 12:00pm, $170

Hollywood Film Production

Turn your movie idea into an amazing script, then bring it to life! This class takes the process through script formatting and styling, character design, writing dialogue, storyboarding before moving into filming! Student will act out parts, work behind the camera, shooting with iPads. We will also learn about special effects and green-screen editing.

Location: Commed Rm 15 **Grade**: 1-6

Stem & Play Soccer with Skyhawks

This program combines strategic STEM-based activities with traditional Skyhawks soccer instruction with a focus on life skills such as teamwork and sportsmanship. STEM Sport soccer curriculum gives students the opportunity to get behind the sport they love with modules on soccer ball design, throw-in-science, angles and goal-line technology! Participants will also learn the fundamentals of passing, shooting, dribbling and defense through skill-based drills and scrimmages. Skyhawks puts the Sports in STEM.
Location: Byam School Field **Age**: 7-12
Instructor: Skyhawks Sports Academy

July 17 – 21, 9:00am – 12:00pm, $169

Beginning Golf with Skyhawks

Participants will learn the fundamentals of swinging, putting, body positioning, etiquette and keeping score. The program is specifically designed for the entry-level player, simplifying instruction so that young players can make an easy and effective transition onto the golf course. All equipment is provided.
Location: Byam School Field **Age**: 5-8
Instructor: Skyhawks Sport Academy

July 31 – August 4, 10:00am – 1:00pm, $159

Sports & Fitness

Youth Summer Basketball

The purpose of this league is to build sportsmanship and confidence while providing an organized team experience to learn and enjoy the game of basketball. All coaches are instructed that players should receive equal playing time. It is understood that children will miss games because of other commitments (vacation, other sports, etc.) Format of this program is based on registration numbers. If there are not enough registrants to field appropriate teams, the program will run as a skills and drills program to begin each class, then will break down to game play at the end of each class. Class size will not exceed 60 per hour based on hoop availability. If numbers exceed that amount, additional time will be opened up to accommodate the additional registrants.
Location: CHS Outdoor Courts **Grade**: 2 - 9

Begins Monday, July 10th ,6:00pm – 8:00pm, $95

High School Summer Basketball League

The purpose of this league is to build sportsmanship and confidence while providing an organized team experience to learn and enjoy the game of basketball. It is understood that players will miss games because of other commitments (vacation, other sports, etc.)
Location: CHS Outdoor Courts **Grade:** 10th - College Freshman

Begins, Monday, July 10th, 6:00pm - 8:00pm, $40

Sports & Fitness (cont.)

Youth Tennis

Taught by MG Tennis Academy, in the U6 program, basic stroke production is taught, with a focus on ground strokes and the serve. Players develop the consistency to sustain longer rallies. In U10, on court training includes an element of movement, footwork, and overall coordination. U16 is designed for advanced beginners to high intermediate. Players are introduced to advanced patterns of play and movement drills.

Location: CHS Tennis Courts
Ages: U6, U10, U16
Instructor: MG Tennis Academy

U6: July 11 – August 11, 8:15am – 9:45am, $79/Wk

U16: July 11 – August 11, 12:15pm – 2:15pm, $99/Wk

22:6 Athletics Football Clinic

We want kids to have fun and establish a passion for the game of football, with a focus on teaching teamwork, respect, sportsmanship and the fundamentals. Every class will end with a game that incorporates skills learned during the clinic. The final class will consist of a fun scrimmage showcasing that players learned, along with an All-Star event competition. The final event even incorporates games for the parents to participate with the kids.

Location: Byam Field **Ages**: 10-15
Instructor: 22:6 Athletics

4 Thursdays, July 6 – August 3, 5:00pm - 6:30pm, $90
