

Protection for when the unexpected happens

Colonial Life®

Colonial Life voluntary benefits can help protect your income and provide financial security for you and your family.

YES! I would like to learn more about one or more of the following benefits, including review or change existing coverage. (Indicating that you are interested in learning more does not obligate you in any way):

Disability Insurance helps replace a portion of your income to help make ends meet if you become disabled from a covered accident or sickness. Now covers mental health!

Whole Life Insurance personal life insurance at a discounted rate to you, your spouse, and/or children. Yours to keep even if you change jobs or retire.

Term Life Insurance offers a predictable way to provide more life coverage at more affordable prices during high-need years.

Medical Bridge Insurance provides a benefit for hospital confinement and may include outpatient surgery to help with co-payments and deductibles.

Accident Insurance provides a benefit for a range of accidental injuries.

Critical Illness Insurance with Cancer - provides a benefit to help you manage the financial impacts of a critical illness and cancer related cost

Benefits counselors are available to guide you through all of your benefit choices.

By completing this form, a benefits counselor will reach out to help you make personal, informed decisions about protection that meets your needs.
